cancer-related challenges.

“The generosity behind this year’s Festival of Trees will have a direct and lasting impact,” said CBC Board Chair Alecia Goudreau. “These funds will help us continue to support individuals undergoing cancer treatment. With Menominee Delta Schoolcraft Community Action as our 3rd charity, our aging population who need accessibility improvements, such as ramps, and other essential services will be supported. We are incredibly grateful to Schoolcraft Memorial Hospital and the entire community for recognizing this need and standing with us.”

The release says this year’s Festival of Trees will serve as a reminder that “the strongest communities are built when celebration and compassion go together.”
